

# The 14th Annual International Computing and Combinatorics Conference (COCOON , June 27-29, 2008; Dalian, China)

Sponsored by Academy of Mathematics and System Science, Chinese Academy of Sciences

The 14th Annual International Computing and Combinatorics Conference (COCOON08) will be held in Dalian, China during June 27-29, 2008. The conference organizers would like to extend their most cordial invitation to researchers around the world to come to the beautiful city by Bohai sea, to enjoy the scenery and to exchange their most significant research works.

COCOON08 will only accept electronic (PS, PDF) submissions. For on-line submission, please go to the website of COCOON08 for detailed instructions on submissions. A submission should start with the title of the paper, each author's name, affiliation, and e-mail address, and a one-paragraph summary of the results. This should be followed by a scholarly exposition of the ideas, techniques, and a full description of the results achieved. A clear indication of the motivation and comparison with prior or related work should be presented. The paper should not exceed 10 pages, excluding bibliography and appendices, on letter-size paper using 11 point or larger font.

Original research works in the areas of algorithms, theory of computation, computational complexity, and combinatorics related to computing are solicited.
